

It is a pleasure to congratulate all those who promote the Prix Galien and pharmaceutical research: they play a vital role in the fight against disease throughout the world.

- John Major, 1996

The Prix Galien is a welcome initiative to stimulate creative research and promote excellence.

- Barack Obama, 2008

I look forward to the day when we will celebrate an African winner of the Prix Galien.

- Tedros Adhanom  
Chebreyesus, 2018

The Prix Galien Awards are a true celebration of the years of hard work that are required to produce life-changing interventions.

- Bill & Melinda Gates, 2018

ACTORS WIN OSCARS...

**INNOVATORS WIN PRIX GALIEN**

# PRIX GALIEN UK

**Thursday, 11th May 2023**

Natural History Museum, London

[www.prixgalien.co.uk](http://www.prixgalien.co.uk)

SUBMISSION PROCESS IS NOW OPEN

Deadline: **31 March 2023**

PGUK 2023  
**QUICK FACT SHEET**

Our annual awards ceremony is a creative recognition of the productive and positive power of partnerships that drive progress in medical science. It is peer exchange with a public purpose - with a diverse range of opportunities for contact with a range of interests, from professional and scientific groups, academia and governments to patient associations, other non-profit organisations, and the media..

### AWARDS CEREMONY

When: Thursday, 11th May, 2023  
Where: Natural History Museum - London

### AWARDS CATEGORIES

- Best Pharmaceutical Product
- Best Biotechnology Product
- Best Medical Technology
- Best Digital Health
- Best Public Sector Innovation

### HOW TO APPLY

Entries must be submitted online at:  
<https://www.galienfoundation.org/PGUK-submissions>

Complete entry guidelines and requirements can be found on our website. Assistance in completing your application is available.

### ELIGIBILITY REQUIREMENTS

Products must have received marketing approval in the UK by 31st December, 2022, but not more than five years earlier than 31st December of that year (unless the awards is for a new/innovative indication added within the past five years). We accept applications for individual products, not classes of products, as well as orphan submissions within each category.

### FEES\*

- Individual ticket for the Award Ceremony: £1,350
- 10 tickets (1 table) for the Award Ceremony: £12,500
- Individual ticket for the Galien Forum: £550

*\* Anyone making a submission needs to purchase one ticket to the Ceremony and one ticket to the Forum (except for the Digital Health and Public Sector Innovation categories)*

### CONTRIBUTORS PACKAGES OPTIONS\*

- Gold Contributor ..... £22,000  
 10 tickets (1 table) for the Award Ceremony/2 tickets to the Galien Forum (Contribution Fee: £8,400)
- Silver Contributor ..... £15,000  
 5 tickets for the Award Ceremony/2 tickets to the Galien Forum (Contribution Fee: £7,150)
- Bronze Contributor ..... £6,500  
 2 tickets for the Award Ceremony/2 tickets to the Galien Forum (Contribution Fee: £2,700)

*\* Contribute towards achieving the overall mission of The Galien Foundation*

### ENTRY INCLUDES

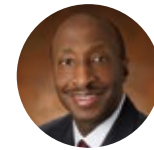

- Product presentation in the 2023 Awards Ceremony Program -- 'Golden Book'
- Presentation of award candidates during the Awards Ceremony (30 second video/digital clip)
- Full page advertisement in the Awards Ceremony Program
- Industry press publicity for all entries prior to the announcement of the winners
- Online presentation of each entry on the Prix Galien UK website prior to the ceremony
- Online video of candidates and winners at the Prix Galien UK website for one month

## PREVIOUS PRIX GALIEN AWARD WINNERS

*"What an amazing recognition for our global team, who have spent decades developing and distributing this vaccine. Congratulations."*

**Albert Bourla**  
 Chairman and CEO, Pfizer

*"Merck's mission is to translate science into medically important products that positively impact humanity, so it is natural for us to support the Prix Galien, since it supports exactly that."*

**Kenneth C. Frazier**  
 Chairman, CEO and President, Merck

*"The Galien Foundation brings together the top scientists in the world. You have Nobel Laureates across the spectrum of scientific disciplines meeting and talking with members of the pharmaceutical industry to see what's going on at the cutting edge, because ultimately that's going to benefit patients."*

**William Hait, MD, PhD**  
 Global Head, Research & Development Janssen, Pharmaceutical Companies of Johnson & Johnson

*"Our Prix Galien USA awards [for Cosentyx and Gleevec]... represent years of hard work by our scientists. These wins underscore our commitment to addressing the unmet medical needs of patients through science-based innovation."*

**Joseph Jimenez**  
 CEO, Novartis

# AND THE 2023 WINNER IS?

  
**PRIX GALIEN**  
— UNITED KINGDOM —

HALL OF  
FAME

The Prix Galien Award recognizes outstanding achievements in improving the global human condition through the development of innovative drugs and other treatments.

The Prix Galien was created in 1970 in honor of Galien, the father of medical science and modern pharmacology.

Worldwide, the Prix Galien is regarded as the equivalent of the Nobel Prize in biopharmaceutical research.
